1. Call to Order
Melanie Barmore called the meeting to order at 5:18PM.

2. Approval of Minutes
Not a quorum to vote for approval.

3. Financials
Given by Rachel Reece.
-Approvals cannot be recommended based on no quorum.

4. On-going Business
Given by Melanie Barmore.
-Walk-a-thon revenues and expenses are coming through. Prizes discussed including feedback from students, parents and community. Schedule adjustments for next year to make sure all the kids get through in an easy manner.
-Walk-a-thon timing: starting early and ending early worked very well, especially in the heat. Everyone loved the shirts!
-Trunk or Treat: Successful as far as attendance. Community fund for candy? Encourage activity at each station to slow them down. Needed a food truck. Voting for favorite décor, activity, etc? Would be fun and engaging.
-Lunch on the Lawn survey results: 70 respondents. 56% wanted 3 separate lunch on the lawn, 32% wanted 1, 10% didn't care. Suggestions and comments – maybe not always on Fridays, not all parents can attend, QR code to use for check-in, parking, etc. Suggestion to do a reverse sign-up – sign up if you can't come and we will make sure your kid gets fed.

5. New Business
- New business to be discussed.

7. Adjournment
Melanie Barmore adjourned the meeting at 5:57PM
